

SUPER NEIGHBOURS!

WHAT IS A NEIGHBOURHOOD?

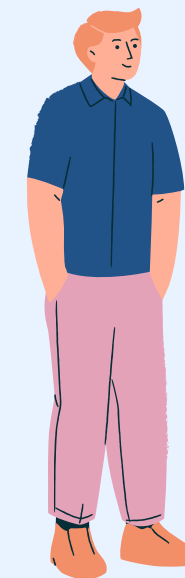

WHAT IS A NEIGHBOURHOOD?

A **neighbourhood** is the place where you live.
It is made of houses, streets, parks, and
shops near your home.

The people who live close to you
are your **neighbours**.

In a good neighbourhood, there are people who
help each other and keep the area safe and
clean: they are called **SUPER NEIGHBOURS!**

A GOOD NEIGHBOURHOOD...OF MEERKATS!

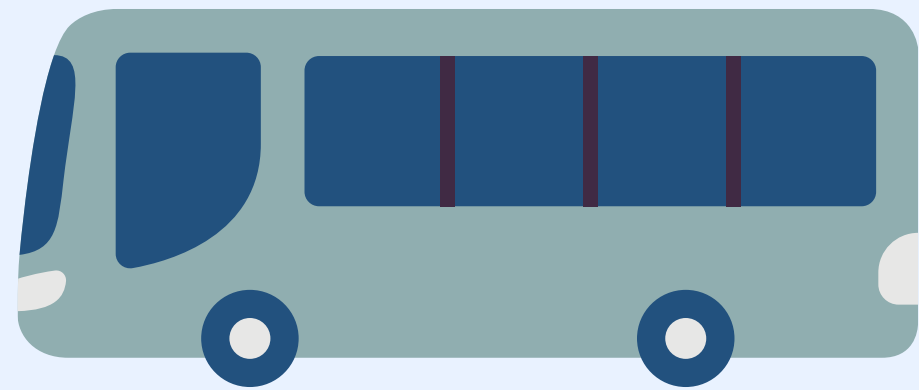

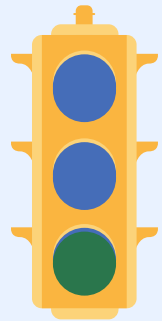

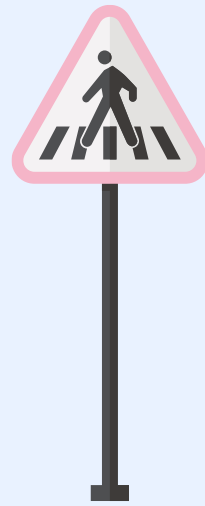

Have you ever seen meerkats?

They all live together, and there's always one who keeps watch to make sure everyone is safe and their home is peaceful.

We can be like a team of meerkats!
Each of us, in our own small way, can take a look around and make sure that everything in our neighbourhood is fine and everyone is happy.

DO YOU WANT TO BE A SUPER NEIGHBOUR?

SUPER NEIGHBOURS'S MISSION ONE: THE POWER OF HELLO!

The first rule to be a Super-Neighbour is to be **kind**.

When we meet a neighbour, even if we don't know them very well, a smile and a 'hello' make our neighbourhood a friendlier and happier place.

SUPER NEIGHBOURS'S MISSION TWO: EXPLORER EYES!

Super neighbours have **special eyes** to notice nice things...and also a few strange ones.

For example: 'Oh, look! Mrs. Maria's kitten has climbed up the tree!' or 'Mr. Rossi's gate is still open, maybe he forgot.' We don't need to do anything, just tell mum or dad or a trusted adult.

SUPER NEIGHBOURS'S MISSION THREE:

LET'S CARE FOR OUR PLACE

Our neighbourhood is like **our home**, only bigger. A super neighbourhood helps keep it clean and beautiful.

If we see a piece of paper on the ground, we pick it up. We **take care of things** that belong to everyone!
